Wireframe 4 – Sign up 2

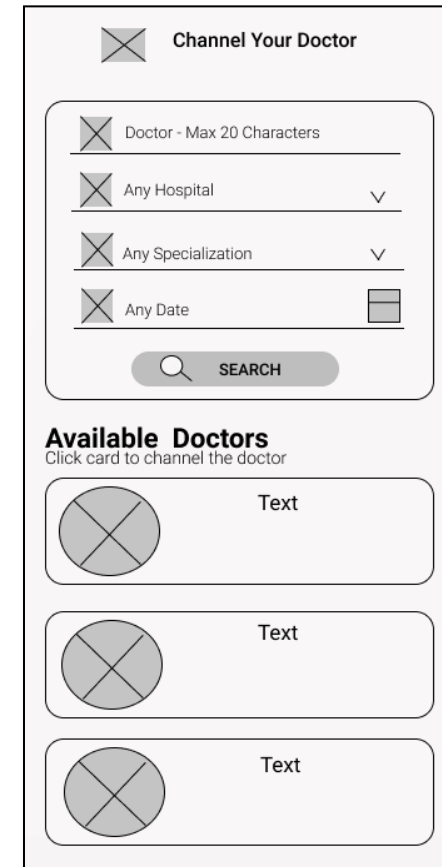

Wireframe 4 is a sign-up form titled "Tell Us More". It features a "Personal Info" section with the following fields: "Your Title" (a dropdown menu with a downward arrow), "Your Name" (a text box), "Email Address" (a text box), "NIC/Passport Number" (a text box), and "Password" (a text box). At the bottom, there is a checkbox labeled "By clicking on 'Register', I agree to the Terms and Conditions" and a "REGISTER" button.

Wireframe 5 - Home Page

Wireframe 5 is a home page layout. It starts with a "Channel Your Doctor with" section containing two placeholder images. Below this is an "Available Services" section with three placeholder icons labeled "Channel Doctor", "My Channels", and an unlabeled one. The "Covid Information" section shows "Newest Updates September 5" and three statistics: "3005 Infected", "4065 Deaths", and "2205 Recovered". The "Symptoms" section at the bottom has three placeholder icons labeled "Headache", "Cough", and "Fever".

Wireframe 6- Search Doctors

Wireframe 6 is a search doctors page titled "Channel Your Doctor". It includes a search form with the following fields: "Doctor - Max 20 Characters" (a text box), "Any Hospital" (a dropdown menu with a downward arrow), "Any Specialization" (a dropdown menu with a downward arrow), and "Any Date" (a date picker). A "SEARCH" button is located below the form. The "Available Doctors" section, with the instruction "Click card to channel the doctor", displays three doctor cards. Each card consists of a circular placeholder icon and a "Text" label.

Wireframe 13- Refund request
through Mobile

Wireframe 13 shows a mobile app screen titled "Refund Request". It features a hamburger menu icon in the top left. Below the title, there are two buttons: "BANK REFUND" and "MOBILE REFUND". A paragraph of text explains the refund process: "Your refund will be arranged to the same payment mode used for making the appointment." followed by an example: "Example - Mobile bill/reload refund will be arranged for Add to bill transactions and bank deposits for card payment transactions." Below this, there are three input fields, each preceded by a checkbox: "Reference number", "Mobile/CDMA No.", and "Refund Remarks". Each input field has a "text" placeholder. At the bottom, there are two buttons: "CANCEL" and "SUBMIT".

Wireframe 14- Refund Request Success

Wireframe 14 shows a mobile app screen titled "Refund Request". It features a hamburger menu icon in the top left. Below the title, there are two buttons: "BANK REFUND" and "MOBILE REFUND". A paragraph of text explains the refund process: "Your refund will be arranged to the same payment mode used for making the appointment." followed by an example: "Example - Mobile bill/reload refund will be arranged for Add to bill transactions and bank deposits for card payment transactions." Below this, there is a confirmation message: "Your Refund request send to the system successfully." followed by "Refund will be arranged to the same payment mode used for making the appointment". There is an "OK" button. At the bottom, there are two buttons: "CANCEL" and "SUBMIT".

Wireframe 15- Refund Request history

Wireframe 15 shows a mobile app screen titled "My Refunds". It features a hamburger menu icon in the top left. Below the title, there is a list of refund requests. Each request is displayed in a card format with the following details: Reference No: 2586589, Date: 21 September 2021, Bank: Seylan Bank - Piliyandala, Remarks: Channeling Refund, and Amount: LKR. 1398.00. Each card has a "BANK REFUND" button and a "PENDING" status button. Below the list, there are two buttons: "CANCEL" and "SUBMIT".

Lab Sheet 06

SE3050 - User Experience Engineering

Semester 2

Home Screen

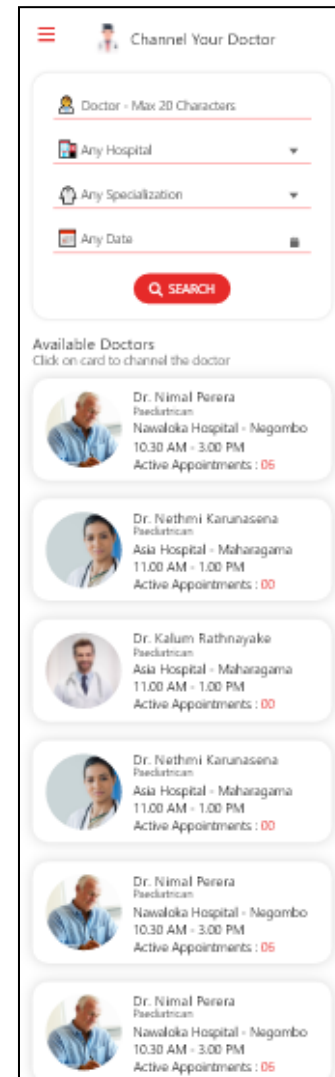

The Home Screen features a red header with the text "Channel Your Doctor with" and a logo. Below the header is a section titled "Available Services" with two icons: "Channel Doctor" and "My Channels". A "Covid Information" section displays the latest update as "August 6, 2021" and shows three statistics: 1046 Infected, 4021 Deaths, and 2883 Recovered. At the bottom, a "Symptoms" section includes three icons for "Headache", "Cough", and "Fever".

Search Doctor Screen

The Search Doctor Screen displays a user profile for "Rashmika Siriwardana" with contact information. Below the profile is a "Menu" section with a list of options: "Sign In", "Sign Up", "Home", "My Appointments", "My Refunds", "About Us", "FAQ", and "Contact Us".

Channelling Doctor Screen

The Channelling Doctor Screen shows a "Channel Your Doctor" section with a search bar and filters for "Any Hospital", "Any Specialization", and "Any Date". Below this is a "SEARCH" button. The "Available Doctors" section lists several doctors with their profiles, names, hospitals, and appointment times. The list includes Dr. Nimal Perera, Dr. Niethmi Karunasena, and Dr. Kallum Rathnayake, each with their respective hospital and active appointment status.

Channel Information Screen

The Channel Information Screen displays a "Channel Your Doctor" section with a search bar and filters for "Any Hospital", "Any Specialization", and "Any Date". Below this is a "SEARCH" button. The "Available Doctors" section lists several doctors with their profiles, names, hospitals, and appointment times. The list includes Dr. Nimal Perera, Dr. Niethmi Karunasena, and Dr. Kallum Rathnayake, each with their respective hospital and active appointment status.

Request Refund Success

The screenshot shows a 'Refund Request' screen with a success message. At the top, there are two buttons: 'BANK REFUND' and 'MOBILE REFUND'. Below them is a note: "Your refund will be arranged to the same payment mode used for making the appointment." Example: "Mobile bill/credit refund will be arranged for debit for bill transactions and bank deposits for card payment transactions." A green checkmark icon is displayed above the text: "Your Refund request send to the system successfully." Below this, it says: "Refund will be arranged to the same payment mode used for making the appointment." There is an 'OK' button. At the bottom, there are input fields for 'Seylan Bank', 'Branch Name' (Piliyandala), and 'Refund Remarks' (Channeling refund), with 'CANCEL' and 'SUBMIT' buttons.

Request Mobile Refund

The screenshot shows a 'Refund Request' screen with the 'MOBILE REFUND' button highlighted. It includes the same introductory note as the previous screen. The form contains the following fields: 'Reference Number' (2586658), 'Mobile/CDMA No.' (2586658), and 'Refund Remarks' (Channeling refund). At the bottom, there are 'CANCEL' and 'SUBMIT' buttons.

Request Refund Success

The screenshot shows a 'Refund Request' screen with a success message, identical to the first screenshot. It features the 'BANK REFUND' and 'MOBILE REFUND' buttons, the introductory note, the green checkmark icon, the success text, and the 'OK' button. At the bottom, there are input fields for 'Seylan Bank', 'Branch Name' (Piliyandala), and 'Refund Remarks' (Channeling refund), with 'CANCEL' and 'SUBMIT' buttons.

Refund History

The screenshot shows a 'My Refunds' screen with a list of three refund entries. Each entry includes a reference number, date, bank name, refund remarks, and refund amount. The first entry is for Reference No. 2586658, dated 2023 September 30, from Seylan Bank - Piliyandala, with a refund amount of LKR. 1398.00. The second entry is for Reference No. 2586658, dated 2023 September 30, from Seylan Bank - Piliyandala, with a refund amount of LKR. 1398.00. The third entry is for Reference No. 2586658, dated 2023 September 30, from Seylan Bank - Piliyandala, with a refund amount of LKR. 1398.00. Each entry has a 'VIEW DETAILS' button.

The Script used at the interview

Script for prototypes.txt - Notepad
File Edit Format View Help

script
* hello <Interviewee>,
As we have already met before, you know about our user research.
Its on the Doc990 application.
So know we are going to show the Prototypes on the application and get your feedbacks and comments on them.
Do not be hesitate to provide you own opinion on the prototypes.
We highly appreciate your participation and thank you for that.

1. Do you know about prototypes?

2. Okay. I will give you a very brief introduction about prototypes.
Prototype is the Outline of the product. Generally, not interactive and are considered as static elements.
This helps map out the shell of user interface and the underlying information architecture.

*I hope you got an idea on it. Now I will share my screen and show you the prototypes of the Doc990 application.
After sharing the screen.Ask whether the interviewee can clearly see the screen

Now this is our landing page.
Main Questions-

The application you have experienced and the one that you are seeing now have two different aspects, but the functionalities are exactly the same. We did not want to change the application because it is out of scope.

1. What do you think on this landing page?

Alright.Lets move on to other prototypes as well. I will show you one after the other. You can provide your valuable comments on them and provide any changes that should be done for them.
